## EUROPEAN PARLIAMENT PRESIDENT MARTIN SCHULZ : "I REAPPOINT SAJJAD KARIM AS CHAIRMAN OF MY ADVISORY COMMITTEE"

Despite our differences during the hotly fought Presidential election when I ran against Martin Schulz, I was delighted to be re-appointed as Chairman of the European Parliament's powerful Code of Conduct President's Advisory Committee.

It is a tremendous honour and privilege to once again be bestowed with the responsibility of ensuring standards in public life are maintained within our Parliament.

The select five member Committee meets in private and has the ability to consider all cases of allegations of improper conduct by MEPs of the 28 nation block. In an era of increasing transparency the Committee's functions are more relevant to ensure corrupt practices are kept at bay.

My Presidential bid was built on this very premise and Martin and I will now work together in the interests of our citizens. All MEPs should know that advice is available to them should it be needed but that any improper conduct will be dealt with firmly but appropriately.

## Europe Direct

Over the past two years Saj's Europe Direct meetings exclusively for Conservative supporters have proved very popular.

Members have enjoyed taking the opportunity for a free and frank discussion on our future in Europe.

With the Prime Minister's pledge of a Referendum in 2017, it is even more important we address those issues of concern to many of us.

If you would like to host a Europe Direct meeting for your Association or Group please contact Constituency Manager: Sue Gillett at [sue.gillett@sajjadkarim.eu](mailto:sue.gillett@sajjadkarim.eu). 07776 144870

## Tell Saj your views

Is it time for Britain to review our relationship with the EU?

Please say which areas of the EU you would like to see reformed.

David Cameron has promised a Referendum in 2017 following a full review of our relationship with the EU. This is already underway and powers are being repatriated back to national governments.

Saj wants to hear your views on this important issue.

We should seek reforms but remain part of the EU

Britain should withdraw from the EU

We should remain in the EU, no reform is necessary
